Privacy Policy

This Privacy Policy describes how personal data of users who visit or use this website or the services offered through it are collected, used, stored, and protected. The processing of personal data is carried out in compliance with applicable data protection laws, including Regulation (EU) 2016/679 (GDPR) and relevant national legislation.

---

1. Data Controller

The data controller is the organization or individual that manages the website or the service. For any requests regarding the processing of personal data, you may contact the controller using the contact details provided in the website's contact section.

---

2. Types of Data Collected

During the use of the website or its services, various types of personal data may be collected, including:

Data provided voluntarily by the user:

- First and last name
- Email address
- Phone number
- Any information entered in contact forms

Browsing data:
The IT systems and software procedures used to operate the website automatically collect certain information during browsing, including:

- IP address
- Browser type
- Operating system
- Date and time of access
- Pages visited
- Time spent on the site

These data are used solely for statistical purposes and to improve the functioning of the service.

---

3. Purpose of Processing

The personal data collected may be used for the following purposes:

- Providing and managing the services requested by the user
- Responding to requests submitted through contact forms
- Improving the quality of the website and user browsing experience
- Ensuring system security and preventing fraudulent activities
- Complying with legal or regulatory obligations

Data processing is carried out exclusively for the purposes for which the data were collected.

---

4. Legal Basis for Processing

The processing of personal data is based on one or more of the following legal grounds:

- Consent of the data subject
- Performance of a contract or pre-contractual measures
- Compliance with legal obligations
- Legitimate interest of the data controller

---

5. Methods of Data Processing

Personal data are processed using electronic tools and, where necessary, also by manual means, in accordance with the principles of lawfulness, fairness, transparency, and data minimization.

Appropriate security measures are implemented to prevent unauthorized access, loss, disclosure, or unauthorized modification of the data.

---

6. Data Retention

Personal data are retained for the time strictly necessary to achieve the purposes for which they were collected.

In some cases, data may be retained for a longer period to comply with legal obligations or to protect the rights of the data controller.

---

7. Data Sharing and Disclosure

Personal data will not be publicly disclosed. However, they may be shared with:

- Technical or IT service providers
- Consultants and collaborators

- Competent authorities, where required by law

All parties processing data on behalf of the controller are required to comply with appropriate security and confidentiality standards.

---

8. Data Transfer

Personal data may be processed within the European Union. If it becomes necessary to transfer data outside the European Economic Area, such transfer will be carried out in compliance with the safeguards provided by applicable regulations.

---

9. Data Subject Rights

Users have the right to exercise, at any time, the rights provided by data protection laws, including:

- The right to access their personal data
- The right to rectify inaccurate data
- The right to erasure (“right to be forgotten”)
- The right to restrict processing
- The right to object to processing
- The right to data portability

To exercise these rights, users may contact the data controller.

---

10. Cookies

The website may use technical cookies and, with the user’s consent, analytical or third-party cookies to improve the browsing experience.

Users can manage or disable cookies directly through their browser settings.

---

11. Changes to This Policy

The data controller reserves the right to modify or update this Privacy Policy at any time. Any changes will be published on this page.

Users are advised to check this section periodically to stay informed about any updates.
